June 3, 2014**

Ladies/Gentlemen:

This Amendment is being issued to change, add or delete certain information contained in the above named RFP. Specific parts of the RFP have been amended and the RFP changes are detailed below. The changes are marked with text underlined if it is new and crossed through if it has been deleted. This marking will help you more easily identify what has changed.

1. Revise Section 2.7.1, to read:

~~Any~~ Tariff services not designated on the Financial Proposal shall not be ~~provided~~ billed to any Requesting/Billed Agency under the Contract without a modification to the Contract. See also Section 2.8 Procedure for Adding a Service Offering. If either party identifies any such non-designated Tariff service on an Agency bill under this Contract, the parties will jointly work to either add such service to the Contract by modification, or prospectively terminate such service upon written request from DoIT or the Requesting/Billed Agency. If there is a service provided on another contract, the Contractor may provide that service, provided that it is billed and accounted for on that other contract.
