48-IT-MOD. INFORMATION TECHNOLOGY MODIFICATION (cont'd)

Requesting Agency Remarks: Local telecommunications services comprises the local network lines and local phone service call usage from the telephone company to State offices within local territories. The extension is necessary to allow time for the procurement of new local telecommunications services. The solicitation is expected to be issued in July 2021.

DGS OSP Remarks: **RETROACTIVE** approval requested pursuant to §11-204(c) State Finance & Procurement Article. DGS OSP has determined that this contract should be treated as voidable rather than void because: (1) all parties have acted in good faith; (2) ratification for the procurement contract would not undermine the purposes of the Procurement Law; and (3) the violation, or series of violations, was insignificant or otherwise did not prevent substantial compliance with the Procurement Law.
