

RFP 060B8400016 Virtual Educational Learning Management System (VELMS)
MDR 0031034730
Amendment #3
Additional Written Question and Answer

This amendment is being published to answer an additional written question.

You must acknowledge any amendments to the RFP and submit the acknowledgement with your proposal. Return page 3 with your proposal.

Thank you.

June Dwyer
Procurement Officer

Q/ Can you provide an example of a situation where 14-17k of your 20k users may log in concurrently?

Multiple online courses run simultaneously each semester for students and educators. At the same time, members of eCommunities require access to their communities.
