

**Q&A #19 to  
Request for Proposals (RFP)  
Statewide Public Safety Wireless Communications System  
RFP #060B9800036  
January 22, 2010**

Ladies/Gentlemen:

The Department of Information Technology received the following questions by e-mail for the above referenced RFP, and they are answered below for all Offerors:

205. There appears to be an error in the customer pricing sheets # 9 and # 10 in column S. The instructions say to link everything back to F1 column C; however sheet # 9 Public Safety should be linked back to F1 column E, and sheet #10 Public Safety Upgrade should be linked back to F1 column G. Is this correct?

**Answer:** Yes. Sheet # 9 Public Safety should be linked back to F1 column E, and sheet #10 Public Safety Upgrade should be linked back to F1 column G. An updated Price Sheet is attached to the email that issues this Q&A #19.
